Information about Soest

Three characteristics in particular explain the dynamic economic structure and guarantee the sustained prosperity of Soest:
Soest is conveniently located, offers excellent infrastructure and is inspiring.
Benefit from the A 44 freeway, the ICE train station and the Dortmund and Paderborn/Lippstadt airports (30 min.) Take advantage of the technological and business management know-how of the University of Applied Sciences or other business incubators. Enjoy the urban flair of the historic old town and the proximity to the Arnsberg Forest & Möhne Lake. More information at www.wms-soest.de
