Details on commercial zone

Kall - Your location in the national park Eifel

The industrial area Kall II is located in the north-east of the town and is directly connected to the industrial areas Kall I and III. Motorway 1 can be reached in a few minutes via the L206 running along the area and, together with the nearby Kall railway station, guarantees an optimal connection to the centres to the north and south. The commercial areas throughout the site, which are located in close proximity to each other, are characterised by a balanced mix of industries. Thus, in addition to small and medium-sized craft businesses, branches of various retail companies and numerous manufacturing companies have been successfully operating in Kall for a long time.
